OTHER DOCUMENTS

(Including Author, Title, Date, Pertinent Pages, Etc.)

A hand-drawn graph on lined paper. The graph shows a curve starting at the origin (0,0) and increasing as it moves to the right. The curve is concave down, meaning its slope decreases as x increases. The curve is labeled $y = \sqrt{x}$ at its right end. The grid consists of vertical and horizontal lines, with the curve passing through points that appear to be (1,1) and (4,2).
